Andriy Protsiuk

# Prologue booklet to the Neorevolution

# An explanation, who I am

80 years from the end of the World War 2 were needed for the Rus-Ukrainian absolute reincarnarion of Hitler – me.
80 years, because 8 – is the Hitler's number.
100 years from the moment, when the "Mein Kampf" was published, were needed for me, Rus-Ukrainian absolute reincarnation of the great Hitler, to finalise his great path.
100 years.
New century – new order.
My name is Andriy Protsiuk.
I'm absolute genius.
I'm absolute genius and I'm absolutely happy about that.
I want to make people feel, what it is, but only human's can feel, what I feel (by feeling the sameness with me to one genus – humanity).
That's why we must kill all the monkeys, because they want to obstruct Our Genetical White Raced absolute happiness.
I'm absolute genius, the biggest genius ever.
I'm the prophet of the new – absolute God Geney.

I’m the true prophet.
If Our Genetical White Raced family will not listen to me, then she will have absolute death.
If we will emanate Our plan into reality, then all Our Genetical White Raced family will pray to Rus-Ukraine and Rus-Ukrainians, as the people, who go with their prophet – me, the great Andriy Protsiuk, absolute genius.
You will understand it by yourself, just read all my books (my absolutely genius will be mostly obvious for you, if you will read, firstly, 4th part of the “Neorevolution”, my favourite part).
No one really knows about my absolute genius, even my family, but everyone will know, who I am.
I’m an absolute genius.
They can kill my body, but they can’t kill my Spirit, because I’m the true absolutely genius prophet.
That’s my absolute fate.
Go with me.
Have a nice read.

All information about their origins was taken from wikipedia (while it was not deleted, but you may understand real origins of them by your own, due to their (((surnames)))

Also, just a rememberance, that from 545 of the judeobolsheviks administration, 447 of them were jewish, so 80+%.
In Holodomor nearly 20 millions Rus-Ukrainians died, when, from other sources, this number may be even higher, because of the few stages of the Holodomor.
Of course, that is not the only one reason, why we do, what we do.
But it's Holodomor.
10+ millions Rus-Ukrainians were killed by the jews.

# The list of the 10 most influential judeo-communistic politicians

1) karl marx – jew
2) vladimir lenin – jew
3) lev trotskiy (bronshtein) – jew
4) iosif stalin (dzugashvili).
There's no clear evidences, that he was a jew, but his wife was a jew, and he was the first politician, that made the laws against the antisemitism with the "death execution" punishment.
5) ienokh gershevich ieguda – jew
6) lazar kaganovich – jew
7) roza luxembourg – jew
8) lavrentiy beriya – jew
9) iacob sverdlov – jew
10) klara tsetkin – jew
So, the 9/10 of the most influential judeo-communistic scums were jewish.
oy vey.
Death to all the jews.

# All reasons, why we do, what we are do

jews created christianity (and stealed for it millions of the things of the Genetical White Raced human civilization).
jews created all jewish abrahamic religions.
jews created the judeo-communism and Holodomor.
jews are behind the German's (and all Europe's) losing in 2 World Wars (by infiltrating the government of the "all-lies").
jews never created anything, they stole everything from Us (yes, einstein – is the biggest lie in the history of science, who stole everything from Henry Poincaré, David Hilbert, Hendrik Lorentz, and other Great Genetical White Raced scientists).
Nothing in the jewish culture is created.
All were stolen.
And I prove it in my books.

And it proves elementary, by the administration of the biden and trump.
All the "early lifes" notes were taken from the wikipedia (also, if they will delete these information from wikipedia, then you will can find this information elsewhere, because of the popularity of that jewish monkeys).

# Fundamental plan of the foreign policy

Nuclear war will happen.
The only difference is in its scale and final results.
It will be absolute nuclear war according to the scenario of Our absolute Genetical White Raced NS, Our scenario of absolute power, and it will not be according to the specific scenario of the jews (with their end times war) and their loyal golems (search christianity, search trump, search putin, see chabad lubavitch - more about all this in 2nd part of "Neorevolution", the section on christianity), who want to destroy all of Europe and the USA with nuclear weapons, but Our intervention stops them from that.
Our fundamental foreign policy plan is absolute nuclear war according to Our scenario of absolute Genetical White Raced NS, in which we will destroy all the monkeys - jews, negroes, asians.
Once.
And forever.
Our plan is absolutely more powerful and absolutely stronger..
Absolute power through absolute nuclear war in the regime of absolute Genetical White Raced NS.
Our main goal – to to seize political power in the USA.

We will mobilize all Genetical White Raced human's for the political power in the USA.
We will attack the USA from the latin america, mostly from the north of the mexico.
One of the variants to placing Our Genetical White Raced European army in the mexico, is to pay for the mexican narcocartels for the execution of the current jewish state (presidents and others) and to place Our Genetical White Raced European army inside mexico (with carefully hidden weapons).
If it will not work, then we will scare the mexicans with nuclear bombs (stolen from France).
We will must do it as fast, as possible, because USA's army will be mobilised after this to occupy the mexico.
Even if USA will occupy all the latin america, we will scare the latin america with the nuclear bombs for that thing, that if the residents in latin american countries will not change the government in their countries, then we will bomb them with nuclear bombs.
If USA will do the same, then we will scare the USA citizens, that we will bomb the USA as well.
Also we will scare the USA citizens, that if they will not change the government, then we will bomb the USA with nuclear weapons as well.

The army of USA is mostly really weak, that's why we can get the political power in the USA.
And if muscovites or americans will try to scare US with the nuclear weapons, we will scare them with nuclear weapons as well (nuclear weapons from the France and Great Britain and/or even handmade nuclear weapons).
And we will have nuclear weapons.
And we will must to make Our own nuclear weapons in the homemade situations.
And everyone, who will be try to hide nuclear weapons from us, will be cut up in absolutely cruel way (he will be tormented in absolutely cruel way, but he will live as long, as possible, to feel as much absolute pain, as possible).
We will get nuclear weapons from anywhere.
Our people is everywhere, We will get, what we need.
Our method – to scare with absolute cruelty.
Also, we will scare the army of USA by the use of nuclear bombs on their territory, if they will fight against us.
Fundamental principle is :
if someone will try to scare us with nukes, we will scare them with nukes as well.
And yes, it it will be need, then we will use these nuclear bombs, not only scare with them.

For those we also will must finance organisations, like “Atomwaffen Division”, “O9A”.
Also we will weaponize all NS-actioners (from all possible NS-organisations in Europe) in Rus-Ukraine and will send them in the USA, for the sturm of the main corpus to get the political power.
After Our come to power, we will organise very big Sturmabteilung to keep power inside the USA.
Control of the power in the USA – is the control of the power in the Europe.
And we will get 5000 nuke’s, what will make Us eternally undefeateble.
Our main goal – to have thousands of nuclear bombs to destroy all apefrica (first goal, but exception for Egypt, we will just conquer it), all apesia (second goal, and we will save that part of muscovy, where people lived, but all monkeys in china, india, pakistan and the same apish countries will be dead., firstly we must destroy those apish countries, that have nuclear weapons, like pakistan, india, korea, china, and others), after that part of northern america (like mexico and others), after that latin america.
And before the bombing of all these territories, we must try to relocate some part of animals into Europe to repopulate it in Europe by the nature reserves.

If in USA zognald trump will send monkeys to fight against Our absolute Genetical White Raced NS regime, then we will propose Genetical White Raced NS Americans to go into the army of USA to kill monkeys inside this army and to fight with Our army against the occupational jewish regime of the USA.
some monkeys may will go to the USA, as the “refugees” from the Europe, but, at some point, it can even help Our regime, because even biggest miga idiots will have less belief in trump, if he will put those monkeys into the USA.
Our nuclear weapons will be successfully used also, if we previously place a bunch of army guardians on the Spain’s border with marocco, for blocking the paths for the monkeys to escape.
We will block the Spain’s border and the sea.
And we will not react on any of the threats to Our side, because we are absolute Genetical White Raced NS and that means, that we are not have fear of anything.
After that we will finally win all jewish apes (the plan, how to defeat them, in the 7th part of the “Neorevolution”, also with nuclear weapons btw) and all the apes as well, and after that on the planet Earth will live only Genetical White Raced human’s, therefore

after that we will get nuclear disarmament, but now it’s time to absolute war in absolute hell of Svarog's!
(hell in the sense of Rus-Ukrainian word “Peklo”, while Pek is literally a God in the  Rus-Ukrainian mythology)
After the death of all the apes (with no exceptions), we will create the system, that will control the quantity of Our human population, because after Our win we will only live on those territories, that will not have the radiation on them, and after the radioactive elements will end on the territories, that struggle with nuclear weapons, we will colonise them also.
When we will win, the whole world will speak one language (with the native language of the country) – the language of the absolute Genetism, called “P” (Protsiuklang).

# Explanation, why Rus-Ukraine and all Our Genetical White Raced family will associate with absolute Genetical White Raced NS, if we will do, what I planned

The glory of some country can be mostly reduced to their biggest achievements, while one of the biggest part of the glory of the country can be reduced to the most famous and most glorious humans from this country.
That's why Rus-Ukraine can be at most part be reduced to Andriy Protsiuk (me, absolute Genetical White Raced NS), Mykola Hohol (Pagan with antisemitic and far-right political views), Fedir Dostoevskiy (right nationalist and antisemite), Fedir Stravinskiy (far-right fascist and antisemite), Anton Chekhov (mostly apolitical), Svyatoslav the brave (far-right Pagan-imperialist, the symbol of the greatest Slavic emperor of all the time and the biggest politician of all the time, before I will come), Ivan Mazepa (far-right fighter for the independence), "AZOV" (far-right), Illya Ripa (far-right elitarian cossack and aristocrat from the cossak's shlyachta), Ivan Kramskiy (far-right revolutionist,

admirer of the “national style” in art, aristocrat from the cossak's shlyachta).

SS “Galizien”
All Rus-Ukrainian history – is the history of the far-right political views.
I am, as the far-rightest of all the time, is the absolute genius in the history of Our humanity.
Nobody in Rus-Ukraine will not have the bigger glory, that I will have.
That’s why the history of 20-th century is the history of Our Führer Adolf Hitler, while history of 21st century will be the history of Andriy Protsiuk, as my absolute genius person.
And no one will not get over my reputation ever.
Also, as rememberance.
14 words.
The 14-th revolution (by Ivan Kramskiy)
14 division of SS “Galizien”

The “14” number tells us, Rus-Ukrainians, what is our real fate.
So let’s meet Our fate of absolute Genetical White Raced NS.
Heil Hitler!
88!

# The essence of Our path of the absolute Genetical White Raced NS

Absolute revolution of absolute emanation of absolutely new order of absolute glory of absolute win of absolute strengthfullness of absolute will of absolute belief of absolute good of absolutely Genetical moral of absolute Genetism of absolute love to Our Genetical White Raced family in absolute Europeanish of absolute Genetical White Raced NS of absolute truth with absolute hate to all jewish monkeys and all type of monkeys.
Symbolically we can show it by the fight between fire and water.
Fire against the water.
Svarog against Dana.
Absolute hell against absolute heaven.
Absolute life against absolute death.
Absolute strength against absolute weakness.
Absolute will against absolute unwillingness.
Absolute win against absolute lose.
Absolute good against absolute evil.
Absolute justice against absolute injustice.
Absolute truth against absolute lie.
Absolute Genetism against absolute evil.

Absolute war against absolute pacifism.
Absolutism against antiabsolutism.
Every single Genetical White Raced country must have their own fire God.
In Slavic mythology it’s Svarog, in Germanic mythology it’s Surtr, in Roman mythology it's Vulcan, in Greek mythology it’s Hephaestus, in Celtic mythology it's Aodh, in Finnish mythology it's Lempo, in Baltic mythology it's Gabija.

# Mathemathical-symbolic sign's meaning of the DNA structure

Quantity of codones in the DNA structure – 64.
64=8×8 (88, Heil Hitler)
DNA structure (infinity, eternity)
Therefore Our path of absolute Genetism is a path of absolutely infinitely eternally Genetical White Raced NS (88).

# Essay to the experience of absolute Geneyism

My name is Andriy Protsiuk.
I was born in Volyn (Great Volyn).
From the childhood I felt, how I absolutely love Our Genetical White Raced family.
I always want, that people, what I saw, will get amazing success.
I have never been understanding, how some people don’t want it for their people.
Tbh, success for my people – that's the only thing, that I have ever wanted (my own success I have seen, as something, that can help my Own people).
Even, if I show by mimic’s expression some sort of my inner feelings about my thoughts, they have always been connected to my Genetical White Raced family (and Rus-Ukrainians, as a part of that), to make life of Our Genetical White Raced family really absolutely fill with happiness, not only that small part of that, that Europe has now.

Longely before, having finished the school, sometimes I memorize, what my classmates were, and I really want

to ask them, how do they feel, and ask it honestly, not with that American artificiousness.
Why some people can’t really love their Own people?
I didn't understand it at those times.
At one moment I got an interesting discussion with one very creatively gifted woman (with her husband from Moldova) on those, what is sincerity, and how insincere modern world is.
I have really felt that, and after that told to myself, that I will tell only absolute truth and wil be absolutely sincere with myself and Our Genetical White Raced humanity.
If I told “good day to day”, then I mean really “good day to you”, not some artificial stuff.
Absolute love to Our Genetical White Raced family.
And, oh, what the Volhynian Genetics is – with infinite ribbon of overpowering history covered on Golden watch of the fate in perfect winding lines of eternal essence of absolute Genetism in sunflowerish paths of the steppes rugs, that is weave from the Great Genetical White Raced Spirits.
Andriy Protsiuk (me) from Volyn.
Fedir Dostoevsky – is writer of Rus-Ukrainian origin from Volyn, his surname originally from the Dostoevo village in the Pinsk, as part of the big Volyn (however,

he was born in Vynnytsia, but originally he is from Volyn, as all of his family from the father’s side).
Petro Kapytsia – of Rus-Ukrainian origin from Volhynians on the father's and on the mother's side.
Dmytro Dyachenko (“Svarog light”, “Motanka”, far-right Rus-Ukrainian ultranationalist) from the Volhyn.
Pavlo Shandruk (general of division SS “Galizien”) from Volhyn.
Many Volhynians were in SS “Galizien”.

Oh, my Volhynia.

If you will only know, my readers, how I love you, all Our Genetical White Raced humanity, it’s so obvious for me, and eternally I memorize your amazingly beautiful colours of Our fate in White skin, when our Spirits have absolute happiness, that we are humans, absolute perfection, absolution of Genetical evolution.

We can’t love it “too much”.

Absolute love – is what I feel all my life, with firing in Svarog’s essence in absolute Geneyism of Adolf Hitler. Absolute Geneyism of absolutely Genetical White Raced NS.

All this world is absolutely Geneyismical.

By Hume, “Is” =“Right”.

“Is” is absolute Geneyism.

Therefore, “Right” is absolute good of absolutely Geneyistic moral.
Absolute Genetism of absolute Geneyistical moral of absolute Geneyistical White Raced NS.
Absolute pantheism.
Absolute Geneyism – is that path, with him Our Genetical White Raced family will have absolute happiness.
Just reminder, that the biggest civilisational advances we had in those periods, where politicians were absolutely Geneyistical  and absolutely cruel.
Greece, Rome (and Italy with “Medici” as well), Germany and others.
We will go with Svarog’s absolute hell.
Absolute love to Our Genetical White Raced family.
Absolute hate to all the monkeys.
